Languages: C, C++, C#, Java (SE and a little EE), Prolog, PHP, ASP (.net), SQL.

Tools: Visual Studio .Net, Eclipse, NetBeans.

Courses Completed:

- Advanced Programming (c#)
- Discrete Structures
- Algorithms Design
- Computer Networks (Advanced With Prof. Yaghmaee at IAUM)
- Artificial Intelligence
- Multi Media Environments
- Operating Systems (Advanced With Prof. Naghibzade)

Courses In Progress:

- Machine Learning
- Software Fault Tolerant
- Distributed Systems
